

Calling all members

We are privileged to have secured photographer Ray Joyce as Speaker for our next South Channel Garden Club meeting on 2 June 2014.

The aim of this speaker session will be to give members tips on improving the photographing of your own gardens.

This session is not about teaching you to use an expensive camera.

It is about how to take the best photos from your current camera, thinking about the ways to approach the photographing your garden and the plants within, and enjoying the outcome.

Ray Joyce is a highly respected house and garden photographer who developed The Scented Rose gardens at Glaziers Bay. Ray has returned to Hobart after spending several years at Swansea.

Please send me your favorite photo/s taken in your garden as background to the talk by 27 May 2014.

These can be emailed to **lynneuptin@netspace.net.au** or sent to Lynne Uptin at PO Box 40 Middleton for any questions please email me or call me on 62921685
